Key Qualifications

Ms. Meng is Senior Manager at SLCG Economic Consulting, LLC. She received her B.S. in Economics from University of International Business and Economics (UIBE) in Beijing, China, and her Master of Finance from University of Maryland, College Park.

At SLCG, Ms. Meng worked on litigation cases involving option trading strategies, illiquid investments, business valuation, structured notes, leverage and inverse ETFs, and opioid shipments and dispensing.

Prior to joining SLCG Economic Consulting, Ms. Meng worked as an audit intern at Deloitte Touche Tohmatsu Certified Public Accountants LLP, where she was part of an integrated team that provided financial services to a listed insurance corporation. Prior to the internship, Ms. Meng also worked as a research assistant at SDIC CGOG Futures Company, a main player in commodity and financial futures brokering in China. This allowed her to gain valuable experience in financial market research and analysis.
