

Ryanna Liu

Senior Data Analyst

RYANNALIU@SLCG.COM

Key Qualifications

Ms. Liu is Senior Data Analyst at SLCG Economic Consulting, LLC. She received her B.S. in Statistics from University of Minnesota Twin Cities and her M.S in Applied Statistics from Cornell University.

At SLCG Economic Consulting, Ms. Liu worked on broker customer disputes analysis, medical malpractice damage analysis, and opioid data analysis.

Prior to joining SLCG Economic Consulting, LLC, Ms. Liu held data analyst and data science internships across e-commerce, healthcare, and automotive sectors. At YESMRO, she leveraged BI tools to analyze customer behavior and optimize marketing. At Cowell Health, she developed machine learning models to detect fraud and lower costs. At NIO Inc., she ran A/B tests on UI design, automated SQL data pipelines, and built Power BI dashboards to support business decisions and improve user experience.
